Dear backgammon enthusiast
We are pleased to invite you to the
11th Zurich Open. Our new venue is the
Restaurant Waldhaus near the idyllic
Katzensee.

The single tournament will be held in **FT-Swiss-format, triple elimination with a Last Chance on Sunday**: more matches, playing opponents of equal skills, still able to win the tournament after two defeats, exit not before three match losses.

A Super Jackpot on Sunday! If you are interested, please pre-register to this competition by email to Bruno.

And as a second side event, we will have **a One-Pointer with multiple entries**. Moreover, additional jackpots available.

We are looking forward welcoming you
in June in Zurich.
